剑10-2-2 (P35)

## New city developments

11 The idea for the two new developments in the city came from

- B the City Council.
- C the SWRDC.

- As many of you may know, the idea of these initiatives came from you, the public,
- in the extensive consultation exercise which the City Council conducted last year.
- And they have been realised using money from the SWRDC
  - the South West Regional Development Commission

- 12 What is unusual about Brackenside pool?
  - A its architectural style
  - B its heating system
  - c its method of water treatment

 For the design of this new heated pool, we were very happy to secure the talents of internationally renowned architect Ellen Wendon, who has managed to combine a charming 1930s design, which fits in so well with many of the other buildings in the area, with up-to-the-minute features such as a recycling system - the only one of its kind in the world - which enable seawater to be used in the pool.

- 13 Local newspapers have raised worries about
  - A the late opening date.
  - B the cost of the project.
  - the size of the facilities.

- there has been quite a bit of discussion in the local press about whether there would be enough room for the number of visitors we're hoping to attract, but the design is deceptive and there have been rigorous checks about capacity.
- just in case you were wondering, we're on schedule for a
   June 15th opening date and well within budget

- 14 What decision has not yet been made about the pool?
  - A whose statue will be at the door
  - B the exact opening times
  - C who will open it
  - We hope that as many people as possible will be there on June 15th.
  - We have engaged award-winning actress Coral White to declare the pool open.
  - There'll also be a competition for the public to decide on sculpture we plan to have at the entrance: you will decide which famous historical figure from the city we should have.

### New city developments

- 1 The idea for the two new developments in the city came from
  - A local people. the idea of these initiatives came from you, the public
  - B the City Council.
  - C the SWRDC.
- 2 What is unusual about Brackenside pool?
  - A its architectural style
  - B its heating system
  - C its method of water treatment

such as a recycling system - the only one of its kind in the world - which enable seawater to be used in the pool.

- Local newspapers have raised worries about
  - A the late opening date.
  - B the cost of the project.
  - C the size of the facilities.

there has been quite a bit of discussion in the local press about whether there would be enough room for the number of visitors we're hoping to attract,

- 4 What decision has not yet been made about the pool?
